**BA 3D Design - Designer Maker**  
(including furniture, lighting, metal & ceramics)

**BA 3D Design - Product Designer**  
(including sustainable, medical & social design)

**BA 3D Design - Spatial & Interior Designer**  
(including public spaces, museums & performance)

3D Design with Plymouth University is one of the top design degrees. Our graduates are designing for major brands and they have won a high proportion of national and international awards.

We do lots of making and tutorials. Our students are our best ambassadors so if you would like to buddy up, contact: [roy.tam@plymouth.ac.uk](mailto:roy.tam@plymouth.ac.uk)
